

Areas Of Strengths

Experienced with 5 years as a science teacher, am also equipped with productivity software skills in Microsoft Excel/Sheets, Word/Docs, Python Pandas, MySQL and PowerBI.

I have a proactive attitude and willingness to go above and beyond to achieve success, self-driven and curious, not only interested in data but also the 'WHY' behind it, and how to turn it into real world answers.

Fundibots, Northern Uganda

Teaching Associate ESC

- Identified, resolved, and reported rollout challenges, delivering creative solutions to ensure project success.
- Collected and verified school enrolment, attendance, and dropout data for accuracy.
- Tracked classroom performance metrics and evaluated student outcomes.
- Managed data collection for District Mock and PLE National Examinations.

WORK EXPERIENCE

ADWARI SECONDARY SCHOOL, OTUKE

Education Officer

- Implemented best teaching practices, including developing schemes of work, structured lesson plans, and activity-based curriculum delivery to ensure student comprehension and excellence.
- Designed an Excel-based school fee tracking tool with a dynamic dashboard to visualize fee collection trends.
- Created a student record database to streamline tracking of UNEB 20% Activity of Integration for the New Lower Curriculum.

REMOTASKS AFRICA (REMOTE)

Trainer

- Trained and onboarded new annotators on best practices, tools, and workflows, ensuring high-quality annotations and adherence to project guidelines.
- Collaborated with team leads and analytics to identify target areas, optimize recruitment strategies, and conduct productivity analysis for continuous improvement.
- Monitored trainee performance using the Google Sheets Headcount Management Tracker (HMT), tracking key metrics such as hours worked, task count, accuracy, and productivity.
- Provided actionable feedback and coaching to trainees to improve their annotation accuracy, efficiency, and overall performance.

YOUTH ALIVE UGANDA, LIRA

Data Clerk

- Collaborated with the M&E officer to ensure timely and accurate data entry and updates.
- Routinely updated paper-based records (HEI, CALHIV, HVAT) into the Kobo Toolbox, ensuring data completeness, consistency, and accuracy.
- Developed and implemented data management processes and protocols for efficient data collection, verification, and quality assurance.

CERTIFICATES

- M & E Fundamentals Certificate
- MEAL Essentials Certificate
- DHIS2: Aggregate Data Capture and Validation Fundamentals
